VIBRATION IS LIFE!

Read What Others Say

Here are a few of the hundreds of unsolicited testimonials from people who have used the White Cross Electric Vibrator and know what it has done. It will do the same for you.

PARALYSIS TREATED BY VIBRATION

Upon the request of my sister, who urged me to use her great Electric Vibrator on my son when I was thoroughly hopeless of his cure from physicians' treatment, I write you this recommendation. My son is 16 years old, and eight months ago became paralyzed from the after-effects of diphtheria. He was so badly afflicted that his arms and limbs were twisted out of shape and was confined, all doubled up, in his bed. Medicine and attention did no good, and I had become discouraged in all ways. After treating first his spine at the base and then his limbs with your vibrator he felt such relief that I kept up the treatment regularly, with the result that we soon had him around in a wheel chair. Next he was going around on crutches, and now, after three months' treatment, he is going around with a cane and will soon be entirely cured.

3122 Indiana Ave., Chicago. MRS. C. KNIGHT.

WHAT A DOCTOR SAYS

I have received your Vibrator, and to say that I am well pleased with it is not enough. I wish I could tell every physician just how bad he needs one in his office. I am sure he would not hesitate to place his order for one at once.

Longmont, Colo. DR. W. H EASTER.

VIBRATOR BEST FOR RHEUMATISM

My husband uses your vibrator for rheumatism and says he never had anything so good in all his experience. I would not be without it myself, as I find it is good to relieve stomach pains, back ache, and besides I continually use it for face massage. I used to go down town for that, while now I save the money and the time, besides being comfortable in my own home.

MRS. S. H. BROWN,
2935 Vernon Ave., Chicago, Ill.

No Moonshine—Just Plain, Unvarnished, *Cashable* Facts About Poultry Profits

If there ever was a straight-from-the-shoulder, look-me-in-the-eye and hold-up-your-right-hand statement of facts, you'll find it in JOEL M. FOSTER'S book, "THE MILLION EGG FARM."

Mr. Foster owns the famous Rancocas Poultry Farm, and in his book he tells his methods for producing upward of *eleven hundred thousand eggs a year* and piling a clean annual profit of close to $20,000.00

We *know* that the statements in this book are cold facts—because we proved them by an exhaustive investigation before publishing THE MILLION EGG FARM for distributing to Farm Journal subscribers. We have sold many thousand copies of this book, and we *know* from the actual experiences of those who have read and followed it, that these facts can be profitably applied by *you*—whether you have a dozen hens on a back lot, or number your fowls by the thousand.

Up in Scranton, Pa., a clerk, Robert Liddle by name, seeking to better his fortunes, read this book, followed its directions, and at last reports was cleaning up $17.00 a day profit on eggs.

In the light of such experiences, we *know* that farmers need this book. That's why we publish it and are trying to put it into the hands of every poultry owner. To *serve* the Farmer is the whole purpose of FARM JOURNAL. To serve him with sound advice regarding every branch of farm work.

To enable him to profit by the labor-saving and money-making discoveries of other farmers. To serve the farmer's wife with helpful suggestions. To serve the farmer and his entire family with clean, wholesome entertainment.

FARM JOURNAL has its own way of presenting facts in crisp, interesting, readable form. It is the National Farmer talking in a human, understandable, sympathetic way to the individual farmer. It is educational without being tiresome. It is bright, cheerful and *clean to the core.* Fakes, quacks and all other swindling advertisers are forever barred from its columns.

Upward of four million readers welcome its monthly visits. Two or three copies will make *you* a confirmed reader of Farm Journal. You *need* this paper and you *need* the MILLION EGG FARM book. None of us ever know so much about our work that we can't learn any more.

The Evolution of a Great Idea

Its Stupendous Value to Humanity is being Daily Demonstrated.

The **PSYCHOMOTOR** is a simple mechanical device linking thought to material expression in a way to make leisure hours a source of delight and profit.

Like the Typewriter, the Telegraph and the Telephone, it serves a purpose. It meets the logical requirement of a visible and objective assistant to mental and physical realization.

It is applicable to every phase of human life and expression.

It is an integral part of **THE SHELDON LEAVITT METHODS.**

For the Ill it is more Curative than Medicine; for the Unhappy it is a Wellspring of Joy, and for the Unsuccessful it is a help to Better Things.

It is a means of curing many a heartache, removing many a pain, giving strength to the weak, courage to the fainthearted and prosperity to the poor.

It is a boon to everybody.

We shall be glad to tell you about it.

I Can Make You a Convincing Speaker

says this man, Grenville Kleiser. Will you give him the opportunity?

People always listen to a man who has something to say—*if he knows how to say it.*

"Ninety-nine men in every hundred in the crowded professions will probably never rise above mediocrity because the training of the voice is entirely neglected and considered of no importance," wrote Gladstone.

Isn't there a world of truth in his words?

Haven't there been occasions when *you* have noted the tremendous advantage possest by the man who can clearly express himself before one or a thousand people?

If you are lacking in this essential qualification, why not acquire it *now?*

Let Grenville Kleiser (formerly of Yale Faculty) teach you *by mail*

HOW TO SPEAK

CONFIDENTLY—FLUENTLY—POWERFULLY

—in Salesmanship—Politics—Society—at Public Meetings—Dinners—*ANYWHERE*

Let Him Teach You How to Develop Self-Confidence, Power and Personality

It will take only fifteen minutes of your time daily for a few months, and the results are assured. Mr. Kleiser's successful students number thousands of men in every profession and business—lawyers, physicians, bankers, clergymen, teachers, salesmen, and other ambitious men who desire to win recognition in fraternal orders and clubs.

JOSEPH P. DAY, *who sells $35,000,000 worth of New York real estate yearly, says:* "I want to take this occasion to express to you my opinion of the really great educational work you are doing in teaching men public speaking by mail, and aiding them to develop their selling force and personal power. You have put into your course your own personal magnetism and enthusiasm, so that men in all parts of the country now have the opportunity of receiving your splendid instruction. Your course has been of great service to me in my business, and I commend it to others in the highest terms."

Free Book to Stammerers

In this book I give the history of my own case. I quote letters from friends and neighbors who heard me stammer for nearly twenty years. I tell of the many alleged cures I tried. I explain how I found out the cause of my trouble and cured myself without drugs or knife. I give letters from people who thought my cure so wonderful and valuable to mankind that they urged me to try my method on others who stammered. I tell how I cured these pupils, too. I print letters from them, many written many years afterward, showing the permanency of the cure.

You stammer for the same reason that I did. Therefore, the same method that cured me will cure you. You should read the book at once. I will send it to you absolutely free. You will not be under any obligations to me whatever. I simply ask you to read it carefully, as you will gladly do after glancing through it. Send the coupon at once.

I will send you free a book of good advice on the cure of stammering if you will tell me how long you have stammered and your name, address and age.

In this, the 36th issue, we give Atlanta her most complete City Directory. We have in our library the Directories of about all the important cities of America, and a comparison of them with Atlanta's book show that we give 20 per cent. more information than any other city of this size. We are doing this now, and have been doing it since 1898.

We hope that every one realizes how vitally important it is that they should be correctly chronicled in the City Directory, a thing that costs them nothing, but may be of immense value in case of accidents, telegrams, letters, inquiries of relatives, delivery of goods or the many unexpected conditions that arise in the course of human events, in fact, a person who neglects to have correct and complete information accorded to himself places himself, his friends and all whom he has dealings with at a serious and sometimes costly disadvantage.

We desire to thank all those who have aided us, in our earnest efforts to give correct and complete information. Because it is the large employer of labor who by his co-operation with us, contributes most to the accuracy and completeness of this work.

We have carefully selected our advertisers, and commend all of them to our readers, as being worthy of patronage and confidence; they are representative of the most progressive business houses of Atlanta and America, and we will insure you against loss, if, when patronizing them, you will mention seeing their advertisement in this Directory.

We especially invite your attention to the Yellow Section; it is very interesting.

POPULATION.

We estimate the population as covered by the Directory canvass, which includes practically all that territory reached by the street car lines, to be **214,419**, and within the corporate limits of Atlanta **157,835** of them reside.

CITY DIRECTORYETUS—The habit of using the City Directory when you want information of any kind pertaining to the city, is the best paying habit you can form.

LEND YOUR DIRECTORY

to your neighbor; it will SAVE him the trouble of BUYING one, and you will always know where it is when **YOU** want it.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

$100 REWARD!

The Association of American Directory Publishers will pay **$100** reward for the arrest and conviction of any person or persons attempting to collect money on fraudulent directory advertisements.

CONCERNING NAMES NOT IN DIRECTORY

A few remarks about those whose names are not in the Directory will be permissible.

Do not hold the compilers responsible for every omission, for the fault is not always theirs

There are people who do not wish to have their names in the Directory and they exert themselves in every way to keep away from the name-takers.

While it is certainly no reproach upon people to have their names in the Directory, there are a number of reasons why some wish to have their names kept out of the Directory, all of which reasons are good reasons why the public should find the names in the Directory.

Included in the "Keep-out-Clan" is the super-sensitive persons, suffering from false pride, who shrinks from the exhibition of name and occupation before the public. To this class belong many young ladies and women who are holding respectable positions in the business houses of the city.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.

BLACK TYPE

¶ The names appearing in **BLACK TYPE** in this directory represent the energy and enterprise of the city and it is a pleasure for the publishers of this directory to have the opportunity to make the public acquainted with them. Those in **black type** are the people who accomplish the wonders in business here and make Atlanta what it is. They recognize and support all the public necessities and things needful to improve and serve a CITY of Atlanta's magnificent possibilities. They are not the drones and sponges who never support anything, but seek rather to gain by others' hard work and money. When you patronize those in **black type** you patronize men and firms who will PATRONIZE YOU in the same broad manner that you patronize them.
